

To: All Residents of Happy Valley Highlands
From: Happy Valley Highlands Beautification Committee
Fall 2017

Dear Neighbors,

As some of you know, a few years ago we solicited your help and donations to improve the small triangle of open space above Via Oneg by cutting back weeds, mulching, and planting drought-tolerant bushes. Most of those funds have now been used and we are reaching out again to solicit ideas, help, and donations so that we can replace the plants that didn't make it. We also hope to add some plants along the freeway side of that stretch of Via Roble and to plant daffodil bulbs throughout the neighborhood.

The overall goal of the committee is to improve and maintain the entrance to our neighborhood so that it reflects the natural beauty of our surroundings—which in turn helps support our property values. We rely entirely on volunteer labor and contributions from HV Highlands residents. Please let us know if you'd like to help the committee, and please consider a donation to the beautification fund. All contributions go toward purchasing plants, flowers, and additional labor. The suggested contribution is \$20 per household per year. Checks should be made out to HVHIA (Happy Valley Highlands Improvement Association).

Please send questions, comments, offers of help, and contributions to

Bonnie Cornell
3819 Quail Ridge Rd.
925-899-7133

Thank you for helping to maintain the Highlands!
